

Revelation of Wrath
Romans 1:18-32

Humankind's disease is known as Sin; it isn't just wrong things that we do, it is a disease that corrupts our thinking, our desires, and our bodies.

Wickedness (unrighteousness) is *adikia*, the opposite of being right or just.

This is what the LORD says: "What fault did your ancestors find in me, that they strayed so far from me? They followed worthless idols and became worthless themselves." Jeremiah 2:5 (NIV)

The Greek word translated "gave them over" (*paradidomi*) carries the technical sense of handing someone over to a jailer.

Paul described Christ crucified as "foolishness to Gentiles" in 1 Corinthians 1:23c.

Paradoxically, it is good news that we are able to see God dealing with evil in the present as he hands evildoers over to Satan, Sin's jailer.

I think most of us would never deny that God exists... with our words. Yet, sometimes, we may deny that God exists by our actions.

"It is, in fact, the material insecurities of life that cause our lives to be spiritually established." F. B. Meyer

The opposite of love isn't hatred but indifference.

Small Groups Starting!

Ladies Tuesday Morning Bible Study has resumed at 10:00 a.m. in the Fellowship Hall. We will continue our study in Ruth. Contact Dellora Gauger if you are interested in joining in.

The Zirbel's would like to launch a home group later this month and want to know who would be interested in attending. We will host on Sunday evenings at 4pm, every other week and have a meal together. There won't be a curriculum, just a Bible passage each time. Please email Natasha (nzirbel@yahoo.com) if you are interested. Thanks!

The Bible Study at the Gauger's home will start up again, Tuesday, October 19th at 7:00 p.m. Our study will be "John", a study by John MacArthur. See Steve if you have any questions.

Operation Christmas Child coming soon. Look for boxes to pick up in the entry next week.

Please pray, asking God to eradicate Covid from those in our church family who are suffering with it. Ask Him to cast it out of the Tobacco Valley!
