Women's Ministry Blog...

As summer rolls along, we hope that you get a chance to enjoy family and friends and get some rest! Rest is an often-neglected commodity in our culture, isn't it? Why don't we also spend some time resting in the Lord's presence as well. He loves spending time with us as much as we need to spend time with Him. Bless His name!

Missions Central...

When we think about missions, it is sometimes hard to fully grasp all that is involved in serving somewhere other than here. There are differences in culture, language, governing authorities, and so many other things. One of the great challenges facing our International Workers today is education for their children. For some, education means homeschooling, which takes a lot of time and energy, and is not always a viable solution. Sometimes, education means international schools. However, for those serving overseas, especially in European countries, the tuition can be astronomical. Please pray for our International Workers who have families and who are currently facing these challenges.

...Governing Board Notes

Just like any not-for-profit ministry, FCC has important documents, such as the Bylaws, which govern our policies and practices. In this ever-changing world, it is important to keep these up to date, and so the Governing Board is continuing a review of these documents.

Pastor's Corner...

Sometimes summertime can be challenging. With summer can come fires, and with fires comes smoke. There are times that the mountains are nothing more than a silhouette. And sometimes life can be that way also. Things and situations can cloud our view, making it hard to see. I think this is one of the reasons the Apostle Paul often referred to the Christian journey as a race and the need to stay focused on the goal. As he wrote in Philippians 3:14, "I press on toward the goal for the prize of the upward call of God in Christ Jesus (ESV)."
