Envision: Who We Are

Envision is a community of leaders and environments committed to the identification and development of missional leaders. Our Envision staff is postured both to host and develop participants while remaining committed to long-term impactful ministry on the ground. Our sites are hospitable environments which are designed to invite, mobilize, and multiply those exploring their role in God's mission. Our staff and ministries are proudly a part of Alliance Missions, a part of the Christian and Missionary Alliance, committed to fulfilling our role in completing the Great Commission.

...Governing Board Notes

Times are always changing. For this reason, the Governing Board is reviewing church documents, such as the Bylaws, to consider any necessary updates.

Pastor's Corner...

This month, as we celebrate our nation's 250th anniversary and the freedoms we have, we also reflect on the freedoms we have in Christ. Paul wrote, "For freedom Christ has set us free; stand firm therefore, and do not submit again to a yoke of slavery (ESV)." The freedom that Paul was talking about was not a freedom to do anything we want, rather, it was a freedom from attempting to be right with God by doing or not doing certain things. Christ paid it all and this is why the Gospel is Jesus (His work on the Cross) + nothing!

Women's Ministry Blog...

Summer is a great time to step back, enjoy family and friends and spend quiet time with the Lord. Our studies this past year encouraged us to get into the daily devotional routine. Many options are available. Three easy options include: Copies of the Daily Bread are at the entry of the church, and your weekly bulletin includes a schedule for reading through the Bible on a daily basis. Also the Alliance Website includes a daily devotional at: <https://cmalliance.org/devotionals/>. All great opportunities to keep our daily focus on our amazing God. We will return to our weekly Bible Study in October. Till then, start your day in the Word and prayer. May He guide all our footsteps!
