Women's Ministry

Blog...

October fellowship opportunities are planned:

- * The Tuesday Ladies Bible Study starts Oct. 6, 10 - 11:30 at the church. We'll be studying the book of Philippians! If you're interested, see Dellora Gauger. The books are \$10.00.
- * Our Fall Luncheon - Mexican Themed - is Oct. 17th at 11:30. The meal will be provided! Our speaker is Bethany Thomas, IW in Bangkok, Thailand.
- * And, beginning Saturday, Oct. 24th at 11 a.m. the Christmas Bazaar Craft Days will begin. We'll create trinkets to give to our visitors. Come, join in the fellowship, good food, and best of all, time to grow in the Lord and hear what great things He has done.

Missions Central...

Marketplace Ministries is a membership of C&MA professionals employed in international, secular, and faith settings. The MM team's goal is to disciple people God has placed within their span of influence and establish them in the local church where possible.

Approximately 150 Alliance marketplace ministries professionals serve in 38 countries through work that includes sustainable business development, medical care, teaching, and a host of other valued services to the communities where they live. Members are supported by a combination of vocational wage and raising support. The Alliance's GCF assists MM workers with funding for health insurance and other important benefits. www.joinmm.com

...Governing Board Notes

The Governing Board has approved a Deacon Board policy which provides for the development of a Deacon Board. This board is not a financial or ministry oversight board; rather, its goal is to assist the Elder board in caring for the people and friends of FCC.

Pastor's Corner...

One of the beauties of the Church is diversity within unity. All who are a part of Christ's bride recognize Him as our Lord and Savior; yet there are differences in minor points of theology and ministry. Here at FCC, we are a part of the Christian and Missionary Alliance and adhere to its distinctives. If you are newer to the denomination or would like more information, please join us for our *Introduction to the Alliance 101* class.
